

A large white semi-truck is driving on a highway, carrying two red shipping containers. The scene is set at sunset, with a warm orange and yellow glow. In the foreground, a worker wearing a blue hard hat and a high-visibility vest stands with their back to the camera, looking towards the truck. In the background, there are more shipping containers and large port cranes.

*Beyond Borders,  
Beyond Expectations*

Our Profile

## COMPANY OVERVIEW

**ClearPath Logistics Limited** is a trusted freight forwarding and logistics company headquartered in **Dar es Salaam, Tanzania**. Strategically positioned with access to major ports-**Dar es Salaam, Tanga, and Mtwara**- we deliver reliable and integrated cargo solutions to regional and international markets.

We specialize in facilitating the **import and export of goods across East Africa**, providing seamless logistics services to both coastal and landlocked countries, including **Rwanda, Burundi, Zambia, Malawi and the Democratic Republic of Congo (DRC)**.

With a strong focus on **efficiency, regulatory compliance and customer satisfaction**, ClearPath Logistics Limited has earned a reputation as a trusted partner for businesses seeking to streamline cross-border supply chains.

## VISION & MISSION

# 02

### Mission

To provide seamless, secure and tailored freight solutions that empower our clients to grow and thrive consistently going beyond borders and beyond expectations.

### Vision

To be East Africa's most trusted and innovative logistics partner, setting the standard for excellence in freight forwarding and cargo management.

# CORE SERVICES

## 03

### Freight Forwarding & Logistics

We provide end-to-end freight solutions across air, sea, road and rail supporting both import and export operations. Our multimodal capabilities ensure efficient and cost effective cargo movement, including inland rail transport to and from key logistics hubs.

### Warehousing & Distribution

We operate secure, scalable warehousing facilities with inventory management and last-mile distribution across Tanzania, the broader East African region and neighbouring Countries including Malawi, Zambia and The Democratic Republic of Congo (DRC)

### Customs Clearance & Compliance

Our experienced team handles all aspects of customs documentation and regulatory compliance, ensuring your cargo clears smoothly at every point of entry and exit.

### Cargo Tracking & Insurance

We offer real-time cargo tracking across all transport modes and tailored insurance solutions to protect your shipments from origin to destination.
